

REMARKS

The Response After Final is limited to advance prosecution or to put the claims in better condition for appeal. Hence, claims 1-18 are canceled, without prejudice to the applicant. Claim 19 is amended to include the limitations of claims 7 and 18.

It is respectfully maintained that it is not obvious for one skilled in the art to use the teachings of five separate references to reconstruct the applicant's invention based upon hindsight.

The applicant includes all of its prior arguments with respect to claim 19, claims 7 and 18 and incorporates those arguments for purposes of appeal. However, it is respectfully maintained that amended claim 19 is in condition for allowance and such allowance is respectfully requested.

Should you have any questions regarding the above, please feel free to give the below-listed attorney a call. If additional fees are required, please debit our Deposit Account No. 04-1414.

Respectfully submitted,

DORR, CARSON, SLOAN, BIRNEY & KRAMER, P.C.
